

ARTIS - CHARDONNAY

France

NO ALCOHOL, 100% AUTHENTIC!

Because without alcohol the pleasure is also great, the Artisan range is a selection of products with an authentic taste that are aimed at all those who wish to enjoy the pleasures and flavors of the vine, without alcohol and low in calories. With more than 25 years of experience in desalcoholisation processes, we have devoted all our efforts to creating a range produced according to an innovative manufacturing process: the Spinning Cone Column (SCC).

Winemaking

Classic vinification to obtain the basic wine. This wine is then de-alcoholised using the Spinning Cone Column (SCC), which consists of using a low-temperature vacuum distillation technique to separate the different phases of the wine: alcohol-free wine, alcohol, flavors. The recovered flavors are partially reincorporated into the de-alcoholised wine with grape sugar to obtain a wine without aromatic alcohol.

Tasting

A beautiful golden yellow color. A rich and complex nose: after nuances of white flowers, aromas of vanilla, toast and toasted notes appear. Unctuous and greedy on the palate with subtle notes of candied pineapple and wood. Nose with vanilla and toast aromas. Smooth mouth with subtle notes of wood, preserving a beautiful freshness.

Food pairing

Ideal with Lebanese beef shawarma, grilled lamb chops, empanadas with grilled vegetables or as an aperitif
